

The Village Hall needs to recruit some more Trustees if we are going to do the things that we would like to do in the Autumn and Winter when hopefully things are back to normal.

We have several vacancies for people to help to run the Village Hall and can take on roles like supervising the Hall Maintenance, looking after the Facebook Page and Twitter Account, or keeping our profile high in local publications, as well as those people who can bring practical life experience to our organisation.

People who are passionate about our community and would like to be part of a team providing some great services to the people of Swanland, could start by calling.....
